

**Help Wanted – Town of Ipswich
Director of Code Enforcement/Building Inspector**

The Town of Ipswich seeks qualified candidates in compliance with 780 CMR 110.R7 for the full-time position of Director of Code Enforcement/Building Inspector. The ideal candidate should be a Certified Building Commissioner/Inspector of Buildings. As an alternative, Local Building Inspector with five years' experience that meet the conditional appointment requirements for certification as a Building Commissioner (as outlined in 780 CMR R.110 R7) are encouraged to apply. The Director of Code Enforcement/Building Inspector performs duties related to the interpretation and enforcement of State Building Codes, zoning bylaws and general bylaws, historical and other applicable statutes and regulations. Position has general supervisions of Assistant Building Inspector, Wire Inspector, Gas/Plumbing Inspector, Sealer of Weights & Measures and clerical position. Serves as Fence Viewer. Must have good organization and communications skills. Ability to establish effective working relationships with the public, businesses and contractors, as well as town departments. Reports to the Town Manager. Complete job description is available on the town website, www.ipswichma.gov. Competitive salary, DOQ.

To apply please submit a Town application (available on website), cover letter and resume to Jennifer Breaker, HR Director, at 25 Green Street, Ipswich MA 01938 or jenniferb@ipswichma.gov. Applications will be accepted until position is filled; initial cut-off date is May 16, 2017. An EEO/AA employer.
