Dear Construction Industry Colleague,

The Massachusetts Building Commissioners and Inspectors Association Inc. (MBCIA) is pleased to offer a limited number of opportunities for you to associate your business or organizational website with the MBCIA website ([www.MBCIA.org](http://www.MBCIA.org)). With the home page and other sections available to all viewers, the MBCIA website is visited often by people related to the construction industry, including builders, remodelers, design professionals and code professionals, as well as by homeowners and building owners seeking building code related information. A sponsorship link to your website would give our viewers the opportunity to investigate the products or services available from your business or organization at a time when they are actively seeking construction-related information.

A limited number of sponsorship links are available to our MBCIA website. A nominal cost of \$ 250.00 will activate a twelve-month subscription. In addition to the link to your website, a Sponsor Directory will list your firm or organization with an appropriate graphic, contact information and an informational blurb describing the products and services you offer. Included in your sponsorship package will be a one-year Associate Membership allowing attendance at our monthly educational meetings at a members cost.

The value of your sponsorship to our MBCIA website is an opportunity to enlarge the scope of your business or service. Be the first to take advantage of this timely offer. Additional information is available for you to sign up for your sponsorship link. For more information please contact John Luther at [secretary@mbcia.org](mailto:secretary@mbcia.org).

Thank you for your valued participation.
